Welcome to Woodbourn Stadium

Tonight sees our first game in this season's new *Second Division Cup* competition.

In this cup contest the twenty second division teams are divided into four groups of five, playing each other twice only. The top team from each group will then go on to the knock out stages of semi finals and finals in April.

Our two home games in the competition are against **Bramley** tonight and **Rochdale Hornets** in three weeks time, the match will be played on Friday March 13th. We visit **Doncaster** next Saturday, February 29th, and **Salford** on March 18th.

Bramley are a much improved side since their last visit and we can expect a much tougher game than our 25-0 victory last November. Since that meeting, when they were languishing near the foot of the table, they had won sufficient matches to make them outsiders for the championship until Batley clinched the title in January.

After the match

The Alliance players will be going to The Eagles' Clubhouse (The Stadium, opposite the Arena) after today's games for their refreshments and all of our spectators are welcome to come along and join the teams there.

Eagles v Leigh

Following their comprehensive demolition of Workington last Sunday the Eagles' first team travel to Leigh tomorrow, Sunday 23rd February, for a crucial match which could determine the outcome of the Stones Bitter Second Division championship.

The Eagles returned to the top spot briefly on Sunday but were again overtaken by Leigh later in the afternoon; this game promises to be a most exciting contest and should attract the biggest attendance of the season to Hilton Park, the event is a must for every Eagles' supporter - the players will appreciate your support.

London Crusaders

The debut of Gary Mason at the recent Youngers Alliance fixture at Woodbourn Road led to an unusual amount of media attention with the appearance of BSkyB, Yorkshire TV and Radio Sheffield at the match. Gary Mason is unlikely to be playing next week when the Eagles' first team meet London Crusaders in the second division clash at Don Valley on Thursday night but even so the form of the Crusaders should make this a game well worth watching. Kick off is at 7.30.

Oldham

Only three days after the clash with London Crusaders the Eagles meet Oldham at Don Valley. At the start of the 1991/92 campaign Oldham were the team tipped to be contesting the championship title with the Eagles; they are currently in third position and are still poised to take advantage of any upset in the progress of the two leading contenders, ourselves and Leigh. As London Crusaders lie just one point behind Oldham, the Eagles' three matches during the next eight days promises a great deal of rugby league sporting interest.

Superfoot

The results of the first weeks of Superfoot have been extremely encouraging. This new lottery is very important to the future of our club and we will need to keep the momentum going and our sales team led, by Hugh Waddell, is keen to hear from any supporter who has not yet joined as a member or agent. If you are interested please contact the Eagles' office.

Alliance player of the year

Scarborough's scrum half, Robert Moules, is the halfway stage leader in the voting for the Youngers Alliance player of the year. The 25 year old half back joined Scarborough from Wakefield Trinity.
